

Capabilities Statement

Established in 2006, cFocus Software automates FedRAMP compliance and develops government chatbots for the Azure Government Cloud, Office 365, and SharePoint.

Our exclusive **ATO (Authority To Operate) as a Service™** automates FedRAMP compliance and continuous monitoring for systems hosted in Azure Government & Office 365—potentially reducing FedRAMP ATO timeframes by up to 25%!

For more information about ATO as a Service, please go to: <https://cfocussoftware.com/azure-fedramp-compliance/what-is-ato-as-a-service-for-azure/>
